1.1.1 Recognition and Bargaining Unit Descriptions. The Employer recognizes the Union as the exclusive collective bargaining representative of all full-time, regular part-time, and per diem nonprofessional employees as described in NLRB Case 19-RC-151686 19-RC-195875, and 19-RC-184808, as listed in Appendix A.

ARTICLE 2

EMPLOYER RIGHTS

These rights include but are not limited to the following: to determine the number of employees to be employed in each operation, shift, or department; to establish, change, modify, interpret or abolish the Employer’s policies and procedures; to increase or diminish, change, improve or discontinue operations, programs and jobs, in whole or in part; to increase or diminish, change, improve or discontinue personnel, in whole or in part; to hire, promote, and transfer employees; to suspend, discharge, demote and discipline employees for just cause; to determine the duties of and to direct employees in their duties, including direction as to the location of the work to be performed; to lay off employees; to authorize work to be performed by any outside person or entity as selected by the Employer, including the subcontracting of work; to evaluate the performance and competency of employees in their assigned work; to increase or change the content, substance or methodology of any work assignment; to determine materials and equipment to be used; to reward and pay employees; and to determine working schedules, including allocation of and requirement of overtime. The parties recognize that the above list is for illustrative purposes and does not exclude those rights and responsibilities not mentioned above.

The Employer’s failure to exercise any right, prerogative or function hereby reserved to it, or the Employer’s exercise of any such right, prerogative or function in a particular way, shall not be considered a waiver of the Employer’s right to exercise such right, prerogative or function or preclude it from exercising the same in some other way not in conflict with the expressed provisions of this Agreement.

ARTICLE 3

MEMBERSHIP

3.1 Union Membership. All employees will, within thirty-one (31) days after hire or the signing of this Agreement, whichever occurs later, become and remain members in good

standing of the Union as a condition of employment. Membership in good standing shall be defined as the obligation to pay periodic dues and initiation fees, or upon request from an employee who wishes to pay an agency fee in lieu of membership in the Union, to pay that portion thereof which represents the Union's costs of representing employees. Newly hired employees will be made aware of this provision at the time of orientation. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after receipt of written notice to the Employer from the Union, unless the employee fulfills the membership obligations set forth in this Agreement.

3.2 Religious Objection. Any employee who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting labor organizations shall not be required to join or financially support the Union as a condition of employment. These religious objections and decisions as to which fund will be used must be documented and declared in writing to the Union. Any employee exercising his or her right of religious objection must provide the Union with a receipt of payment to an appropriate charity on a monthly basis.

During the term of this Agreement, the Employer shall deduct dues and, where applicable, an initiation fee from the pay of each member of the Union who voluntarily executes a wage assignment authorization form. The Employer will also provide a roster in electronic format that includes the employee's name and identification number, the amount deducted, and earnings for the pay period. Upon issuance and transmission of a check to the Union, the Employer's responsibility shall cease with respect to such deductions. The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that may arise against the Employer for or on account of any deduction made from the wages of such employee.

2. The Employer agrees that progressive discipline should apply to those cases where the employee's conduct or performance does not warrant a more severe level of discipline, including immediate discharge. Possible causes for immediate discharge include, but are not limited to the following: improper treatment or discourtesy to patients and visitors; insubordination and disrespectful conduct to supervisors and others; sexual harassment or other forms of harassment of employees or customers; dishonesty; theft; violation of patient or employee confidentiality; intoxication or consuming alcoholic beverages or harmful drugs on the Employer's business; falsification of employment or personal history data.

At the request of the employee, the employer shall furnish such records within seven (7) business days.

ARTICLE 11

JOB POSTINGS AND FILLING OF VACANCIES

11.1 Job Postings. Job vacancies covered by this agreement will be posted by the employer. The posting will include unit, shift, starting wage and FTE. At the time of the interview managers must disclose if consecutive weekend work is required. The Employer shall make decisions, at its sole discretion, as to whether vacancies exist.

11.2 Filling of Vacancies. To be considered for a posted position an employee must apply in accordance with the employers' policy and procedure. Bargaining unit candidates will be considered for the first seven (7) calendar days of posting prior to considering non bargaining unit candidates. In the event a bargaining unit employee fails to submit a bid for a posted position within seven (7) calendar days, the employer shall be free to select the most qualified applicant. It is also understood that if more than one bargaining unit employee applies and meets the criteria outlined below, the position will be awarded to the most senior bargaining unit employee.

11.2.1 Employees must meet all qualifications as established by the employer. The qualifications will be listed in the job profile.

11.2.2 Employees must be in their current position for a minimum of six (6) months in order to be eligible to apply for a posted position, unless the employer agrees otherwise.

11.2.3 Employees who received formal corrective action within the last 6 months will not be considered for job vacancies, unless the employer agrees otherwise.

11.3 In Unit Seniority. An employee will have "unit preference" if, as of the date of the posting, the employee has been continuously employed in the position and on the unit where the vacancy exists for at least one year. Applicants who have unit preference, as defined above, will have their seniority multiplied by three (3) for the purposes of determining the most senior applicant for a position.

11.4 Position Acceptance and Rescission. Employees will have 48 hours from the time a position is verbally offered to accept, decline or rescind (if previously accepted) the offered position. Weekend and holiday hours are not included in this 48-hour response time.

11.5 Returning to Previous Job. If at any time within the first ninety (90) days, the employer or the employee determines that the employee is unable to perform satisfactorily, such employee may be returned to his/her former position including shift, assignment and scheduled hours without loss of seniority, provided his/her former position is still available. If the employee's position is not available, the employee will be returned to a comparable position in the same department and job title, if available.

11.6 Posting/Bidding Exceptions. The Medical Center, in its discretion and with the consent of the employee, may decrease the scheduled hours of an employee by no more than one shift per week.

Unless the Medical Center elects to use section 11.2, no vacancy will be deemed to have occurred if the Medical Center in its discretion, with the consent of the employee, desires to increase the scheduled hours of an employee by no more than one shift per week. Such hours will be posted

in the unit involved for seven (7) calendar days. The qualified senior, part-time applicant, whose primary job class is in the unit and on the shift where such hours will be scheduled will be given the first opportunity for such hours. However, an employee's FTE shall not exceed 1.0.

Caregivers who would like to decrease their hours will put their request in writing to their manager. The manager will approve or deny the request in writing. If the request is denied the caregiver can request a meeting with their steward, manager and HR representative to explore options.

ARTICLE 12

NEW AND SUBSTANTIALLY MODIFIED POSITIONS

If the Employer creates a new bargaining unit position or substantially changes the requirements, responsibilities and duties of an existing position, the Employer shall provide written notice to the Union, including the position description and a proposed rate of pay, at least fourteen (14) days prior to implementation of the new or substantially revised position. If the Union requests bargaining within 14 days after receipt of the notice, the parties will meet to bargain the rate of pay. The Employer's proposed rate shall be paid while negotiations proceed.

ARTICLE 13

WORK SCHEDULES

13.1 Work Schedules. Work schedules will be a minimum of 4 weeks in length. Work schedules shall be posted 2 weeks (14 days) prior the beginning of the schedule. Requests for scheduled days off, or to retract scheduled days off shall be submitted in accordance with unit guidelines. Once the schedule is posted, requests to take scheduled time off need not be granted.

Employees will not be scheduled beyond their FTE without their consent, provided that this clause does not prevent the Employer from requiring attendance beyond the employee's FTE at mandatory trainings and staff meetings.

The Employer retains the right to adjust work schedules to maintain an efficient and orderly operation subject to the following:

- 1.** The Employer will make a good-faith effort to maintain scheduled patterns of anticipated days off for full-time and part-time employees. Employees will be notified of changes prior to the posting of the schedule.
- 2.** When a part time or full time Employee is available to work their typically scheduled pattern the Employer will make an effort not to displace them with a per diem employee.
- 3.** An employee's start and stop time shall not be changed greater than three (3) hours from their regularly scheduled start or end time. Employee's start or stop time shall not cross shifts without the employee's agreement.

4. It is the responsibility of the employee to check the schedule once posted.
5. Once posted the schedule will only be changed by mutual agreement between the employer and the employee.

13.2 Employee initiated schedule exchanges. Employees may exchange scheduled days as long as:

- a) The competencies are relatively equal,
- b) no overtime or other premium pay results (unless approved by a supervisor),
- c) and the change is approved in advance by the appropriate manager or designee.

13.3 Floating. Employees covered under this collective bargaining agreement may be required to float to any other unit. Employees will not be required to float outside of their job classification without orientation

Positions requiring a CNA certificate will float to departments according to the RiverBend Float Cluster document approved by the Nurse Staffing Committee. Consistent with their skills, competencies and the patient population to which they are oriented. Among those employees who are competent to float shall be floated in the following order:

1. Volunteers,
2. Agency and travelers,
3. And then by an equitable system of rotation among those remaining.

13.4 Employees required to float to a different campus, or outside of their home unit or location, must have received prior orientation to that campus, unit, location to the unit(s) layout, procedures, meal and rest period plans and its patient population. Orientation may occur prior to the shift.

13.5 The employer shall not float an employee to work on more than two (2) units in a shift. However, the employee may volunteer to float more regardless of the designated shift length.

13.6 Text Message Consent. Employees have the right to request that they are not contacted by text message regarding extra shifts. If the text message takes more than two responses, the employee may request the manager to contact them by phone.

ARTICLE 14

LOW CENSUS

Low census is defined as a reduction of hours for all or part of any employee's shift as necessitated by reduced medical center volumes or other occasions when staffing levels must be adjusted on a temporary basis. If an employee is low censused, the employee may choose to take time off without the use of Paid Time Off (PTO). Prior to implementing low census procedure and assuming there are not volunteers, the employer will make a good faith effort to find suitable

alternative work, including opportunities at PeaceHealth. Provided the department has the appropriate skill mix, employees will be low censused in the following order.

1. Agency personnel, travelers and temporary employees.
2. Volunteers working at an overtime or premium rate of pay.
3. Employees working at an overtime or premium rate of pay.
4. Volunteers by either an equitable system of rotation or a volunteer sign-up process, provided that skills, competency, ability and availability are considered equal.
5. Per Diem employees.
6. Full-time and part-time employees working their regularly scheduled shift, on an equitable rotation basis that starts with the least senior employee, provided that skills, competency, ability and availability are considered equal.

No Agency, travelers, temporary employees shall bump any SEIU member out of their scheduled shift when there is need to low census.

14.2 Float pool employees will be considered their own unit prior to the shift. After the shift has started, Float Pool employees will be considered part of the department where they are working and will be included in the equitable system of rotation. Float pool employees carry their last low census date with them to determine when they are floated in the rotation of the unit.

ARTICLE 15

HOURS OF WORK AND OVERTIME

15.1 Work Period. The normal work period will consist of forty (40) hours within a designated seven (7) day period or eighty (80) hours within a designated fourteen (14) day period.

15.2 Shift Length. The Employer reserves the right to assign employees in a job classification or unit to straight time 8, 9, 10 and/or 12-hour shifts as needed. The Employer shall notify the Union at least four (4) weeks in advance prior to changing the shift within a department or unit. Upon request, the Employer shall meet with the Union to discuss the impact of such change, including the impact on any particular employee or groups of employees.

15.3 Overtime and Excess of the Standard Scheduled Shift. All time worked in excess of forty (40) hours during a designated seven (7) day period will be considered overtime, unless the employee is assigned to work eighty (80) hours during a designated 14-day period, in which case all time worked in excess of eight (8) hours during any one shift or in excess of 80 hours during the 14-day period will be considered overtime. Effective the first full pay period following the date of ratification, all employees in a CNA, PTS, or Unit Coordinator position, currently in an 08/80 assignment, will be transitioned to an 08/40. All time worked in excess of twelve (12) consecutive hours will also be considered overtime. All time worked in excess of the employee's standard scheduled shift of at least eight (8) hours will also be considered overtime. Employees assigned to 9, 10 and/or 12 hours shifts will receive overtime when working in excess of their standard scheduled shift. All overtime must be properly authorized by the Employer. All hours worked are paid even if not authorized. All overtime will be paid at the rate of one and

one-half (1½) times the employee's regular rate of pay and will be paid according to the Fair Labor Standards Act. This may include items such as differentials and other premium pay, if applicable. There will be no pyramiding or duplication of overtime pay. Non-worked hours are not included for purposes of determining overtime such as on-call hours, paid time off, jury duty, bereavement and any paid leaves of absence.

15.4 Overtime Assignment. When the Employer determines overtime work is necessary to complete a task begun on an employee's regularly scheduled shift, the Employer will offer overtime to that employee. In other cases the Employer will make available overtime work based on volunteer basis; if two or more employees are willing to work the overtime the work will be given to the most senior employee who is qualified. **15.5 Mandatory Overtime.** The ability to rely on a stable schedule is fundamental to achieving balance between work life and personal life. As a result, the employer has committed to limit mandatory overtime practices, with the overall goal of avoiding a mandatory assignment of any unwanted worktime.

15.6 Shift Rotation. The Employer has the right to rotate an employee to a shift other than his or her assigned shift based on emergent need. Unless mutually agreeable by the Employer and the employee involved, shift rotation will be used only when necessary as determined by the Employer. If shift rotation is necessary volunteers will be sought first and, if there are insufficient volunteers, shift rotation will be assigned in the reverse order of seniority, unless skill, ability, experience, competency and/or qualifications require otherwise in the Employer's judgment. Because shift rotation is considered an assignment rather than a position, there shall be no posting of shift rotations.

15.7 Report Pay. Employees who report for work as scheduled shall be paid a minimum of four (4) hours' report pay at the straight time rate, unless the Employer makes a reasonable effort to notify the employee no less than one (1) hour prior to the beginning of the scheduled shift that the employee should not report. An employee may voluntarily agree to leave prior to expiration of the four-hour period in lieu of staying and being paid for the full four hours.

15.8 Rest Between Shifts. Unless performing standby duty, each employee is entitled to an unbroken rest period of at least eleven (11) hours between shifts. Employees who are working 12-hour shifts are entitled to at least 10 hours between shifts. Any time worked without the required rest will be paid at the premium rate of time and one-half the regular rate of pay. Working as a result of approved shift trades or attending department meetings, in-service or education day shall not apply.

15.9 Consecutive Weekends. The Employer will make all reasonable efforts to schedule employees so that they have at least every other weekend off. In the event that an employee is required to work on two (2) consecutive weekends, all time worked on the second weekend will be paid for at the rate of 1½ times the employee's regular hourly rate of pay. The next regularly scheduled weekend will be paid at the employee's regular rate of pay. For purposes of this provision, the weekend is defined as commencing at 23:00 on Friday and concluding at 23:30 on Sunday. This paragraph shall not apply to Per Diem employees and/or if the employee voluntarily agrees to work on the weekend either at the time of hire or thereafter (including any trading of weekend work). A weekend is defined as Saturday and Sunday for the first and second shifts; and, for the third shift, Friday and Saturday or Saturday and Sunday, as designated by the

Medical Center upon a caregiver's employment or subsequently upon a caregiver's change of unit, hours or position title.

15.10 Work in Advance of Shift. When an employee, at the request of the Employer, reports for work in advance of the assigned shift and continues working during the scheduled shift, all hours worked prior to the scheduled shift shall be paid at one and one-half (1½) times the regular rate of pay. Exempt from this provision are the Medical Assistants and Medical Assistant Leads who, as a requirement for their job, travel to satellite locations and need to begin their day prior to their typically standard start time. In addition, employees working in the Oregon Cardiology Clinic may flex their time by mutual agreement and be exempt from this provision.

15.11 Holidays. All hours worked on the following recognized holidays will be paid at the rate of time and one-half times the regular rate of pay:

New Year's Day
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Christmas
Christmas Eve

Holiday pay shall apply for all hours worked from 11:00 p.m. on the day preceding the holiday until 10:59 p.m. on the actual holiday.

15.12 Sixth and Consecutive Day. Scheduling of over six (6) consecutive days of work is discouraged and should be done only in emergent situations regardless of work week or to accommodate an employee's request. Premium pay of time and one half (1 ½) the employee's regular rate of pay will be paid on the sixth consecutive day worked, and each subsequent consecutive day worked, following five (5) consecutive days already worked, unless waived by mutual agreement (this exclusion includes employees working a regular 8/80 schedule).

- a) Any day the caregiver worked four or more hours, will count toward sixth and consecutive day pay under this section. For purpose of this section, "day" is defined as the calendar day on which the caregiver's scheduled shift begins.
- b) The Medical Center may cancel any day of work to break the consecutive day cycle.
- c) This section shall not apply to employee requests or employee initiated shift or schedule exchange.

ARTICLE 16

MEALS AND REST PERIODS

The employer will provide meal and rest periods pursuant to the Oregon Secretary of State Bureau of Labor and Industry, 839-020-0050, and federal laws. Except that the employer agrees

to provide rest periods in 15-minute increments in accordance with the employers' policy. A rest period may be allowed in conjunction with the meal period, as determined and approved by the employer.

ARTICLE 17

DIFFERENTIALS AND OTHER PAY PROVISIONS

17.1 Shift Differential. The evening shift is defined as 1500 to 2330. Employees who work three (3) or more hours during the evening shift shall receive a differential of \$1.50 for all hours worked on the evening shift. The night shift is defined at 2300 to 0730. Employees who work three (3) or more hours during the night shift shall receive a differential of \$2.50 for all hours worked on the night shift. Shift differentials are included in determining the rate of pay for caregivers assigned to evening and/or night shift for paid leaves, holiday and paid time off. Shift differentials are not included in paid time off cash-out calculations.

Employees that meet the requirements of the above paragraph and who work beyond the end of the standard night shift time ranges, are subject to a two (2) hour expansion period. Work that extends up to two (2) hours beyond the end of a standard night shift shall continue to earn differential pay at the same differential rate. Consecutive work performed beyond the two-hour expansion period into day shift will not be compensated with the night shift differential.

17.2 Standby Pay. Employees not on duty but required to remain available to physically report in for work on short notice will be compensated at the rate of \$3.75 per standby hour. Standby hours will not be counted as hours worked.

17.3 Assignment of Stand-By. The Employer will work to maintain an equitable system for stand-by in consultation with the department UBC/CAC or other applicable department committees.

17.4 Callback. An employee called to work when on standby will be paid at one and one-half times (1 ½) the employee's regular hourly rate of pay, plus shift differential where applicable, for a minimum of two (2) hours. An employee who is called into work is no longer on standby status and therefore is no longer eligible for standby pay.

17.5 Relief Lead Pay. An employee who is assigned lead responsibilities on a temporary basis will receive an hourly differential of \$1.25 above the employee's base hourly rate of pay. Temporary/relief lead positions and duties must be assigned by a department manager, supervisor or designee.

17.6 Preceptor/Training Pay. Preceptor/Training duties and assignments are at the sole discretion of the Employer. An employee who is assigned preceptor/training duties by the Employer will receive a differential of \$1.00 per hour above the employee's regular rate of pay. Employees who are in designated lead positions or who receive lead differential pay are not eligible for compensation under this paragraph.

17.7 Weekend Work. Employees will be paid a weekend differential of \$1.00 per hour worked. A weekend for the purposes of this section shall be defined as all hours between 2300 on Friday and 2330 on Sunday for day and evening shift employees and either Friday and Saturday at 2300 or Saturday and Sunday for night shift employees.

17.8 Certification Pay. Employees who are certified in a specialty area by a national or state organization and who are working in that area of certification will receive an annual bonus of 2% of their gross pay, provided that the particular certification has been approved by the appropriate Vice President or designee, and further provided that the employee continues to meet all educational and other requirements to maintain the certification in good standing. A certified employee is eligible for only one certification premium, regardless of other certifications the employee may have. Certified employees will notify their manager in writing at the time certification is received and will provide a copy of the original certification document. Certification pay will be paid annually in either September or October. Certification pay will not be paid for certifications that are required for their position. Certified Nurse's Aides (CNAs) will not be eligible for certification pay for the certification required for their position.

17.9 Interpreter Differential. Employees who pass a Medical Terminology bi-lingual competency test that is approved by the Employer shall be eligible to receive an interpreter pay differential in accordance with Medical Center policy. To be eligible for this differential, an employee must consistently use interpreter skills on the job at least 15% of the employee's working time and pass the qualifying language proficiency examination. Occasional interpreting during the normal course of work does not qualify the interpreter differential. The amount of such differential shall be 7% of the employee's straight rate of pay.

17.10 Differential in Lieu of benefits. Per Diem employees shall receive a differential in lieu of benefits of 15% of their base rate of pay.

17.11 Incentive Pay. This contract should not be construed to limit the Medical Center's right to compensate an employee, over and above the amounts set forth in this Agreement, at the Medical Center's sole discretion, in response to needs for limited periods of time.

ARTICLE 18

ARTICLE 20

LAYOFFS, RECALLS, AND RESTRUCTURES

20.1 Layoff. A layoff is defined as a permanent or prolonged reduction in the number of employees employed by the Employer. Layoffs will be by job classification or by job classification within a department or unit. In the event of a layoff, the employee(s) with the least amount of seniority will be laid off first, provided that skill, competence and ability are substantially equal. Prior to implementing a layoff, the Employer will seek volunteers for layoff from among employees in those classifications and/or units affected by the layoff. Non-bargaining unit employees within the affected job classifications in a department or work unit on a shift will be released prior to the layoff of bargaining unit employees. Vacant positions within the classification(s) covered by a layoff will not be filled during the period beginning with the notice of layoff and continuing to the date of layoff. This section does not apply to a reduction in FTE status.

20.1.1 Notice of layoff. The Employer will provide notice of layoff to the Union and to affected employees no less than twenty-one (21) days in advance (or pay in lieu thereof based on scheduled work days), unless unforeseeable conditions beyond the Employer's control prevent such notice. The Employer will provide the Union with a seniority roster and a list of vacant bargaining unit positions at the time of such notice. The list will include the unit, FTE and shift of the vacant positions. Upon request by the Union, the parties will meet to discuss the impact.

20.1.2 Vacant positions. The Employer will undertake a good-faith effort to place employees who are subject to layoff in comparable vacant positions. Vacant positions are comparable if they are in the same or similar classification, are at the same or greater base rate of pay, are on the same shift, and are within .2 FTE of the employee's position at the time of layoff. An employee who is subject to a layoff will be considered eligible for a vacant position if, in the Employer's opinion, the employee has the necessary skills and ability to perform the work required within an orientation period of four (4) weeks. If the employee has not achieved a satisfactory level of performance in the judgment of the Employer based upon established criteria within the four-week period, the employee will be placed on layoff status. Employees who decline the offer of a comparable vacant position are not eligible to exercise the options set forth in this agreement.

20.1.3 Severance option. Employees who are notified of elimination of their position may elect to receive severance benefits in accordance with the terms of the Employer's severance policy, as determined by the Employer in its sole discretion, in the same manner and for as long as the policy applies to all other non-supervisory employees of the Employer. An employee's election to receive severance benefits will constitute a waiver by the employee of any further rights set forth in this Agreement.

20.1.4 Displacement option. An individual who is displaced and who is not offered a comparable vacant position shall be subject to the following provisions:

1. The individual has the right to displace the least senior employee in the same classification in a position of equivalent or lesser FTE on the individual's current shift.
2. If no such position on the individual's current shift is available, then the individual has the right to displace the senior employee in the same classification in a position of equivalent or lesser FTE on another shift.
3. If no such position is available in the classification, then the individual may displace the least senior employee in the bargaining unit in a classification the employee has held at Sacred Heart Medical Center, provided they maintain the skill, competence and ability to perform the duties required.

20.2 Recall. Employees on layoff status will be placed on a reinstatement roster for a maximum period of twelve (12) months from the date of layoff. When vacancies occur within their job classification, employees will be recalled in the reverse order seniority.

20.2.1 Response to offered position. If an employee declines or fails to respond within seven (7) days to the Employer's offer of a comparable position as defined above, then the employee's name will be removed from the reinstatement roster and the employee's recall rights will terminate. An employee may decline recall to a position that is not comparable without loss of recall rights or position on the reinstatement roster.

20.2.2 Vacant positions. An employee on the reinstatement roster may bid on a vacant position in a different classification in the same manner as any other regular employee pursuant to this agreement.

20.2.3 Per Diem Option. An employee's acceptance of a per diem position as a result of displacement shall not affect their recall rights.

20.3 Seniority and benefits. Seniority and benefits do not accrue while on layoff status. Upon recall within 12 months of layoff, employees will have previously accrued seniority and benefits restored and will again commence accruing seniority and benefits.

20.4 Unit Merger or Restructure. In the event of a merger of two (2) or more units into a single unit or a restructuring of an existing department or unit, the Employer will determine the number of full-time and part-time FTEs by shift and by classification required for the new or restructured department or unit. Prior to implementation of the schedule, the Employer will meet with Union Representatives for the affected department(s) or unit(s) to discuss the reconfiguration of the FTEs in the department(s) or unit(s) and the new work schedules. A listing of the FTEs for each shift on the new/restructured department(s) or unit(s), including any qualification requirements, will be posted on the department(s) or unit(s) for at least ten (10) days. By the end of the posting period, each employee must submit to the Employer a written list which identifies and ranks the employee's preferences for all available positions. Employees will be reassigned to positions within the merged or restructured unit(s) in order of seniority, taking into consideration the employees' preferences. If the unit merger or restructure results in a reduction in force the layoff procedure in this Agreement will apply.
